Translation Services

Your Trusted Partner for Translation Excellence

Fast Turnarounds, Always on Time

We understand that quality is a must—but our differentiator is our speed and reliability. Your projects are managed by experienced project managers to ensure smooth, on-time delivery.

Great Value Without Compromise

Thanks to process automation and economies of scale, we deliver quality translations at competitive pricing-maximizing your ROI without sacrificing excellence.

Healthcare-Specific Linguists

Our translators are carefully vetted experts in the healthcare industry, ensuring accurate use of terminology and regulatory compliance.

Translate Your Vital Documents

Ensure patients have access to critical information in their language. Examples include:

- ✓ Consent forms
- ✓ Discharge instructions
- ✓ Patient rights and policies
- ✓ Notices and posted communications

HOW TO PLACE REQUESTS

1. Submit your requests

2. Obtain a quote and estimated turnaround

3. Approve the quote

4. Receive your completed project on time

5. Invoice delivered within 30 days

If you have large files to upload or have questions about the translation process, please contact us.

Expand Accessibility with Our Additional Services

Transcription
Convert audio content into written text. Ideal for creating written records of meetings, interviews, and presentations

Closed Captioning
Add text captions to videos, making them accessible to individuals who are deaf or hard of hearing. Perfect for educational videos, webinars, and online courses.

Braille
Translate written content into Braille for visually impaired individuals. Essential for accessing physical documents, books, and educational materials.

Voice Overs
Add professional human or synthetic voice narration to your videos. Great for promotional videos, e-learning modules, and presentations.

Text to Speech
Convert written text into spoken words using advanced technology. Useful for creating audio versions of documents, books, and web content.

Section 508 Remediation
Ensure your digital content meets Section 508 standards for accessibility. Important for making websites, documents, and multimedia accessible to all users.

Large Print Formatting
Format documents in large print for individuals with low vision. Ideal for creating accessible books, brochures, and informational materials.

Why Choose AMN Language Services?

We do more than translation. Our comprehensive accessibility services ensure your content is inclusive, engaging, and fully compliant, reaching every audience. From translations and captions to 508 compliance, we help break barriers and broaden your impact.
